Oggetto: Solidarity letter covid 19

Dear Sinisa,

on behalf of Uilm and of all workers I represent, I thank you for your letter of support and solidarity.

We are facing a huge and unprecedented challenge in history.

We are called to be doubly responsible: as citizens and as strade unions.

Indeed, besides protecting ourselves by respecting restrictions imposed by our Governement in order to avoid the spread of contagions, now more than ever we have to protect health and job of our workers. Infact, we have to avoid that they get sick and/or that they lose their jobs.

I definetely agree with you about the importance of standing united, because only staying united and adopting measures that are coordinated at European and global level, we can face and win also this new challenge.

Best regards

General Secretary Uilm
